Profile

Motivated and detail-oriented Computer Engineering graduate from Marmara University with a strong passion for software development and continuous learning. Experienced in backend development, API integration, and document automation through internships. Adaptable to new technologies, skilled in time management, and a collaborative team player. Eager to contribute to innovative projects in a dynamic work environment.

General Skills

Planning and Organization
Effective Communication

Technological Adaptation
Teamwork

Experience

LONG-TERM INTERNSHIP

TUBITAK | OCTOBER 2024 - JANUARY 2025

- Worked on C# .NET development and API integrations. Developed a certificate generation system and implemented XML-to-Word conversion to improve document automation, enhancing technical and problem-solving skills.

INTERNSHIP

BNP PARIBAS CARDIF | JULY 2024 - SEPTEMBER 2024

- Extensively worked on REST and SOAP-based services using Apache CXF, SOAP/WSDL, and wsdl2java. Implemented secure client-server data exchange and contributed to designing efficient, interoperable service architectures.

INTERNSHIP

BNP PARIBAS CARDIF | JULY 2023 - OCTOBER 2023

- Gained hands-on experience with Java and GitHub, while learning to work effectively in a professional environment. Improved skills in project responsibility, time management, and problem-solving.

Education

MARMARA UNIVERSITY

2021 - 2025
